

Cut and Color Gingerbread Houses

from

GlueStick

The Good Kind of Screen Time

Supplies

- Printer, Paper and this pdf
- 7 Thin popsicle sticks
- Crayons, markers, or colored pencils
- Glue
- (Optional) String or a magnet

Steps

1) Print and cut out the pieces of this template

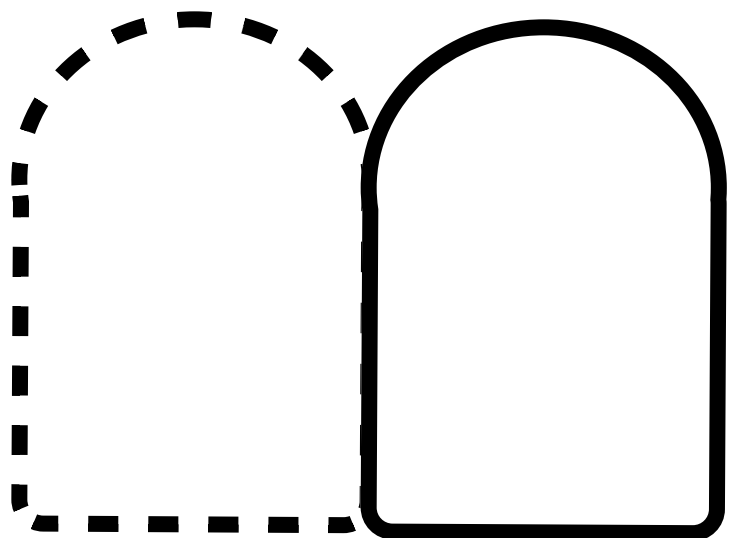

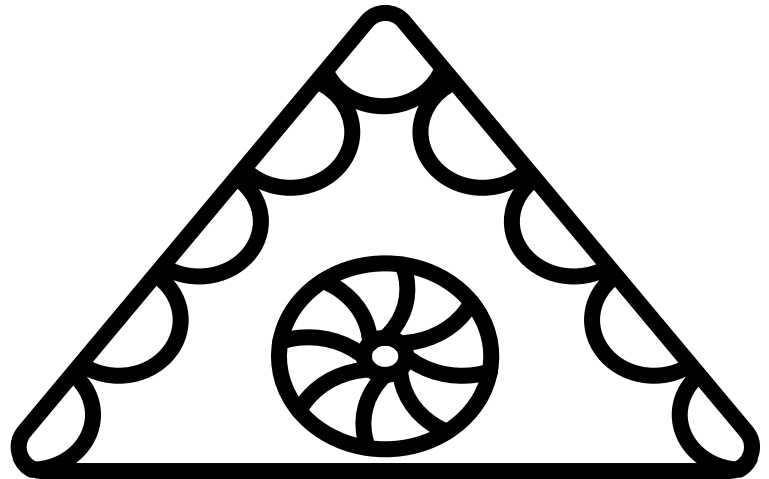

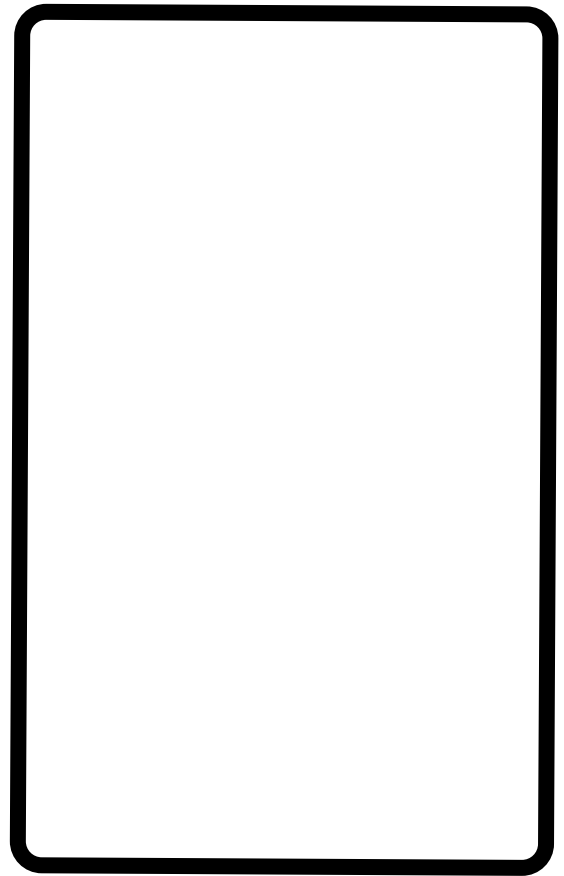

2) Glue seven popsicle sticks to the rectangle wall piece.

3) While the glue dries, color the roof and door

4) Glue the roof and door to the wall

5) (Optional) Add a string to hang it as an ornament on the tree, or a magnet to hang it on the fridge.

6) No project is done until our supplies are put away! Recycle all the paper scraps. Put away the glue and crayons, markers, or colored pencils.

The GlueStick app inspires kids' creativity using supplies they already have, making arts, crafts, and STEM projects more affordable and fun. Sign up for a free account and access 275+ projects at <https://gluestick.app>
